

NORTHEAST NEIGHBORS AND FRIENDS
BOARD MEETING
NOVEMBER 30, 2019

The meeting was called to order on Saturday, November 30, 2019, at Financial Plus Credit Union at 9:05 a.m. In attendance were: Paul Sadler, Valerie Madison, Kevin Marken, Linda Westergaard, and Marge Ramsey.

Our speaker for Monday's meeting will be Senator Nate Boulton. For January's speaker, we will ask someone from the Des Moines Water Works to speak.

Linda made new calendars for 2020 and passed them out.

Motion made by Paul Sadler to have new brochures, postcards, and business cards printed. Second by Kevin Marken. Motion passed. Paul will obtain information to have this done.

We all agreed that we need the web page to be redesigned and brought up to date.

Linda received some postcards with recipes on them. Valerie has them to put into five groups and then put in envelopes and given to the people who have our Free Little Libraries. Marge will check on envelopes.

Valerie brought up the fact that people receiving food from the food pantry need to have reusable bag. Paul will check for grants for reusable bags with our brand.

Linda brought up the fact that there are 80 units in the Logan Park Apartments. It was decided that we would team up with the manager to purchase pies for their holiday meal and help provide some of the gifts for the residents. We estimate that \$100 would cover the pies and \$150 for the gifts to hand out to them. Kevin will check online for the stocking stuffers.

Respectfully submitted,

Marge Ramsey
Secretary/Treasurer
