

**NORTHEAST NEIGHBORS AND FRIENDS
BOARD MEETING
August 26, 2017**

The meeting was called to order by Tania Hunt at 9:01 a.m. at Financial Plus Credit Union on Saturday, August 26, 2017. In attendance were the following: Tania Hunt, Norm Kamm, Shelly Rodriguez, Paul Sadler, and Marge Ramsey.

The speaker for Monday's meeting will be Kari Warren, President of Greater East Side Development (GESD).

We talked about speakers for the months following. The Board decided that we should maybe have someone from the ARL (Animal Rescue League) for September, maybe Salvation Army in October (regarding bell ringing in December). Then we would just have November to find a speaker for the remainder of this year.

We discussed the free little libraries. Norm has the name of one person who is wanting one. The Board decided to see what having three more made would cost us. Tania will contact Linda to get pricing for the purchase of three additional libraries. Also, she will ask Linda and Valerie what they have found out about the buddy benches.

Other items of discussion were: School Board Election (who was running for the At Large) on September 12th; the WRA on the east side; ways to increase membership for next year; and discussion for projects for next year's grant proposal.

The meeting was adjourned at 10:02 a.m.

Sincerely,

Marge Ramsey, Secretary
