In July, the plan is to have a Polk County representative to speak. We are looking at someone from the class that DMACC held regarding services from the County.

Linda reported that Kyle Larson will set up Northeast Neighbors and Friends on the city website. After we get the OK from him, Marge will forward him the officer's names and copies of the meetings for him to put on the website.

Linda and Marge will go to US Bank after this meeting and set up a bank account for NEN&F and make the deposit.

Discussion followed on trash problems in the neighborhoods such as what goes in the trash bins and putting them away after trash day.

National Night Out on Tuesday, August 3rd and what different neighborhoods are doing was discussed.

Meeting was adjourned at 9:27 a.m.
